10. HOW WILL THE POTENTIAL WINNER(S) BE SELECTED?

- (a) Each weekday (a “**day**”) during the Entry Period at approximately 6:21 a.m. (excluding statutory holidays and any other day as may be communicated by the Station), the Station will announce an expected high temperature for that day (the “**Station Daily High Temperature**”).
 - (i) If the daily high temperature, as registered at Toronto International Airport from Environment Canada’s daily weather web page (the “**Official Daily High Temperature**”) **is off by more than three degrees Celsius** (using whole numbers only) from the Station Daily High Temperature, then the jackpot **will be available to be won on the following day.**

- (b) Every weekday at 6:21 a.m., the Station will announce whether, on the previous weekday, the Official Daily High Temperature was off from the Station Daily Temperature. If the Station Daily High Temperature was off as described above, then the Station will conduct a random draw from among all eligible entries received up until 7:00 am on the day of the draw. One (1) entrant will be selected and the Station will announce his/her name live during broadcast after the traffic and weather report at **7:21 a.m.** The Station will also notify the selected entrant by phone and email using the information provided at the time of entry.
